## UNOCT MANDATE

Established through GA resolution 71/291 on 15 June 2017, the Office has **5 functions**:

- **Provide leadership** on the GA counter-terrorism mandates entrusted to the Secretary-General from across the UN system;
- **Enhance coordination and coherence** across the 38 Global Counter-Terrorism Compact entities to ensure the balanced implementation of the four pillars of the UN Global CT Strategy;
- **Strengthen delivery** of UN counter-terrorism capacity building assistance to Member States;
- **Improve visibility, advocacy and resource mobilization** for UN counter-terrorism efforts;
- **Ensure that due priority is given** to counter-terrorism across the UN system and that the important work on preventing violent extremism is firmly rooted in the Strategy.

To enhance **coordination and coherence**, the UN Global Counter-Terrorism Coordination Compact, which is a coordination framework bringing together 42 entities was launched by the UN Secretary-General in December 2018. It operates through its Coordination Committee and 8 thematic Inter-Agency Working Groups, which were revitalized in April 2019, providing an "All-of-UN approach" to the system's work on counter-terrorism and preventing and countering violent extremism, as conducive to terrorism.

The Office provides most of its **capacity-building** support to Member States through the **UN Counter-Terrorism Centre (UNCCT)**, which was established by an initial contribution of the Kingdom of Saudi Arabia to the Counter-Terrorism Trust Fund in 2011. UNCCT has an Advisory Board composed of 21 Member States plus the European Union (EU) as a Guest Member.
